

# RECOGNITION OF PRIOR LEARNING POLICY and PROCEDURE

PP017

## 1. Policy

This procedure describes the process for managing all Recognition of Prior Learning applications. This procedure will ensure compliance with the Assessment Policy, National VET Regulator (NVR) and the Australian Qualifications Framework (AQF) National Principles and Operational Guidelines for Recognition of Prior Learning. RPL is an assessment-only pathway of determining the competence of a person, while providing credit is recognising the equivalence in content and learning outcomes between different types of learning and/or qualifications previously undertaken and completed successfully.

## 2. Scope

2.1 This procedure applies to all students (with exception of Dip of Nursing and CWA Accredited courses) :

- enrolled in courses including all funded contracts and fee for service leading to a nationally recognised Vocational Education and Training (VET) qualification or statement of attainment; and
- who seek recognition for skills and knowledge previously gained through experience in the workplace, volunteer work, social or domestic duties, or through formal and informal studies.

2.2 This procedure applies to all Dip of Nursing students:

- Key 2 Learning College will grant Recognition of Prior Learning (RPL) on an individual basis, whereby the individual's formal and informal learning, is assessed against Key 2 Learning College course learning outcomes.
- Students applying for RPL or CT must, according to ANMAC accreditation standards and Enrolled nurse standards for practice complete all course requirements including the mandated minimum hours of workplace experience.
- Regulatory requirements may prevent a unit or module being awarded through a credit transfer process. Units of Competency that require skills demonstration or pertain to Professional Experience Placement may not be awarded or granted.

2.3 This procedure applies to Dip of Community Services students undertaking an CWA Accredited course:

- Key 2 Learning College will only grant up to a maximum of 40% RPL for any qualification that is accredited by CWA

RPL is an assessment process that assesses a person's skills and knowledge to determine the extent to which they have achieved the required learning outcomes, competency outcomes, or standards for partial or total completion of a qualification. It involves an upfront assessment of a person's skills and knowledge and does not include the provision of any training. Students may apply for RPL at any time

during their enrolment, as long as they have not received any training in the unit for which RPL is sought.

For information on Recognition of Current Competencies and Credit Transfer refer to:

- [PP018 Credit Transfer](#)

### 3. Definitions:

Assessor:	A qualified assessor is a person who has the competencies required under the Standards for NVR RTO's Outcome Standards: 1.6, 3.2 and the relevant Training Package and assessment guidelines. If one person does not have all of the required competencies, assessment may be conducted by a team who, between them, have all of the required competencies.
Unit:	To simplify the language the word 'unit' has been used to encompass both a 'unit of competency' from Training Packages and a 'module' consisting of clustered unit-based courses.
RPL Administrator:	The Compliance Manager under the guidance of the Course Coordinator in collaboration with Administration manager is responsible for RPL administration at the Program and Unit level.
